

COMPANY OVERVIEW

ABOUT A-LINE

With close to three decades of experience we are a trusted name in the business of institutional apparel. Based out of New Delhi, we design and manufacture uniforms for a host of businesses across industries such as schools, hotels, restaurants and real estate firms.

Two factors set us apart and contribute to the success of A-Line, namely, the quality of the garments we produce and the quality of the service we provide. A-Line uniforms are affordable and easily available in all sizes.

Fine stitching, computer embroidery and superior fabrics sourced from the best mills like, S.Kumars, Arvind Mills and JCT make our uniforms durable, keeping your staff comfortable and confident.

You can rest assured that your uniform orders will be executed in a professional, competitive, and efficient manner. Our knowledge of the market resources combined with our dedication to produce superior products helps us in providing good quality uniforms on a timely and cost effective basis, year after year.

It gives us great pleasure to offer you the very same high standards backed by decades of experience.
